* * * * *

On a separate page(s), please respond to the following questions. Limit total pages to six (6).

1. Please describe your current agency, its reporting structure, and some of the current issues affecting you and your agency or department?
2. What is your proudest accomplishment within the past five years? What did this project entail, and why does it make you proud?
3. Pleasant Hill has an educated and actively involved citizenry that takes a great deal of interest in issues relating to the Pleasant Hill Recreation and Park District programs. What experience do you bring to this, and what is your approach?
4. What is your approach in working with a General Manager/City Manager and elected officials?
5. Please describe your experience in initiating change within an organization.
6. Please describe a time you identified an issue or problem within your Department and implemented a solution without direction from your Supervisor, Manager or elected officials.

Thank you!
