

## Bond Projects Updates for Monday 3 December 2012

### Senior Center

- Remediation of concrete slab to lower vapor pressure is nearly complete throughout the building.
- Dance Studio: cushioned subfloor completed and hardwood top layer in progress.
- Audio-Visual systems installation well underway.
- Kitchens passed health inspection and received the permit to operate.
- Rebar and forms for the base of the new Pleasant Hill Senior Center monument sign on Gregory Lane were placed. Rain has postponed the concrete pour.
- **GRAND OPENING is Saturday January 5<sup>th</sup>, 2013 from 1-4pm.** Come tour the beautiful building and enjoy class demonstrations, live music, boutique sale, raffles and goodies!

Above: A new sealer coat on the Chateau Room floor. Even though it looks wet – it is completely dry in this photo.

Right: Looking into the Library/Lounge – the dull gray floor color is the binding coat on top of the shiny sealer coat. It provides a good surface for the upcoming floor covering adhesives.

A look across from the cook line – this side of the islands have cupboards and drawers. A large coffee urn sits next to the main service window. A door to the Chateau Room can be seen across the hall.
