A MESSAGE FROM THE GENERAL MANAGER

Dear Friends,

I am writing to you about an urgent need that you can help us meet.

But first, I would like to thank you, the residents of the Pleasant Hill Recreation & Park District, for your support.

It's you who petitioned for and voted overwhelmingly in favor of the bond measure. It's you who will see the results of your vision in the middle of next year when the doors open to the new Senior Center and Teen Center. You have made it happen!

But now, furnishings and equipment for the buildings must be ordered by the beginning of April, and these items are not covered by the bond measure.

Of the \$850,000 total needed for furnishing these first two buildings, we still have \$649,000 to raise - and only four months left in which to do it. Now you can help us again.

Please - help us reach our goal!

Thank you for your continued support,

Robert B. Berggren
