STAFF REPORT

Re: Review and Discussion Regarding Status and Prioritization of 2020-21 Capital Improvement Projects

BACKGROUND:

In July 2020, the Board of Directors (Board) adopted its 5-year Capital Improvement Plan (CIP) (Exhibit 1). The District has a CIP Fund which does not rely upon ongoing revenues and approved projects are 100% funded with funds set aside in the CIP fund which is not affected by the current service reduction due to the pandemic.

DISCUSSION

The closure of most programs within the District has afforded the opportunity to tackle several projects without impacting use of the building. Most notably projects at the Community Center which were of high priority are in progress or finished.

Below is a chart listing the projects that are currently in progress or have been completed during this fiscal year.

Project	Status	Cost
Pavilion Shades-CC	Completed	27,225
Reupholstery of CC Lobby furniture	In progress	13,575
Carpet Replacement-TC	Scheduled for 12/21	18,135
Bottle Filler for CC	Ordered; installation anticipated January 2021	6,100
Miscellaneous repairs at CC- doors, ballasts, painting	Painting complete in FY19/20. Outstanding items to be finished in 2021	
Design of HVAC at SC	On hold due to staffing capacity. Anticipate January restart to identify consultant for peer review and/or design/build of entire HVAC system	

While the CIP Projects are 100% funded and those funds are not used for operations expenses it is recommended the remaining projects be moved to FY21/22.
