

Dear Local Restaurant,

I am reaching out to invite your restaurant to participate in a special and important community nourishment program, *Summer Senior Meal Deals*, organized by Pleasant Hill Recreation & Park District's (Rec & Park) Senior Center staff. Our goal is to provide delicious, affordable restaurant-quality meals for the most vulnerable population in our community, seniors; many who have been in isolation since the COVID-19 pandemic lockdown in March.

This *Summer Senior Meal Deal* program is one way to lift seniors' spirits with a 'fancy' meal, provide them with daily nourishment and give them something to look forward to. In turn, this program is an opportunity for local restaurants to gain a little extra business and get well-deserved recognition for helping to feed the most vulnerable during this crisis. Seniors will remember your generosity and care.

Please see specific program details below to learn how you can take part by becoming one of our featured premier *Summer Senior Meal Deal* restaurants:

- *Summer Senior Meal Deal Program* Time frame: June-August 2020
(Only 12 feature restaurant slots available; True Foods Kitchen already committed)
- Each Friday, Rec & Park will feature a local restaurant offering a special "senior meal deal" on our Facebook, Instagram and Twitter channels and on our website. Your restaurant information, link, logo, meal deal, and photos will be included.
- The featured restaurant develops a to-go "senior meal deal" at a reasonable price point (recommend \$10-12 per meal). These "meal deals" will be specifically offered to the 2,500+ active members of our Pleasant Hill Senior Club who not only represent residents from Pleasant Hill but seniors from Walnut Creek, Lafayette, Concord and Martinez as well.
- All "senior meal deal" orders will be handled by Rec & Park Senior Center staff and provided as one single order to the featured restaurant, 48 hours in advance in one credit card transaction. We anticipate orders to up to 50-75 meals.
- Rec & Park Senior Center staff will pick up all orders at 3:00 pm on Friday for distribution and delivery to seniors at 4:00 pm.

Please join us to help feed and lift up our senior community during this uncertain time.
